

# Verse Examples

Never a day do I forget you  
In my heart you are always near  
God alone knows how I miss you  
As ends this first sad year  
My heart still aches with sadness  
My secret tears still flow  
For what it meant to lose you  
No one will ever know

We've been lonely since you left  
Home has never been the same  
The world would be like heaven  
Just to have you back again

Sweet is his memory  
Dear is his name  
Deep in our hearts  
He will always remain

We often think of bygone days  
When we were all together  
The family chain is broken now  
But memories live forever

God knows how we miss her  
Never shall her memory fade  
Loving thoughts shall wander  
To the spot where she is laid

God saw the road was getting rough  
The hill too hard to climb  
He gently closed her weary eyes  
And whispered, "peace be thine"

I never said goodbye, dear  
But that was just as well  
I never could have said goodbye  
To one I loved so well

His life was full of kindly deeds  
A helping hand to all in need  
Sincere and true in heart and mind  
A memory sweet he left behind

Those who have a mother  
Treasure her with care  
For you never know  
How much you love her  
Until she is not there

A little tribute small and tender  
Just to say we still remember

Although we smile and make no fuss  
No one misses him more than us  
And when old times we oft recall  
Then we miss them most of all

Those tired hands are resting  
The voice we loved is still  
The one who toiled so hard for us  
Is waiting o'er the hill

I've lost my sole companion  
A life linked with my own  
No one knows how I miss him  
As I travel my life alone

It seems so strange  
That those we need  
And those we loved the best  
Are just the ones  
God calls away and takes  
Them home to rest.

In our hearts you will always stay  
Loved and remembered every day

Time can change many things  
But not the memory this day brings
